

## Need more Cash Flow for Christmas?

### AAA Trade Debtor Finance is the solution!

*Are you looking for more funds or want to increase your business cash flow during the Christmas rush?*

*AAA Trade Debtor Finance can help you to convert your sales invoices into cash before Christmas!*

Trade Debtor Finance enables business to unlock cash tied up in accounts receivable & more effectively manage cash flow commitments including wages, supplier payments, GST and other structured finance costs.

AAA Trade Debtor Finance facilities provides you with up to 80% of your debtor's ledger value, advanced as cash on an ongoing basis. This is the equivalent of having the majority of your invoices paid on the day you issue them.

*At a glance -*

- 80% paid within 24 hours from invoice date
- Balance (20%) paid when debtor pays
- Finance against a business cycle as opposed to bricks and mortar
- Flexible line of credit that increases with sales
- No real estate security required
- Costs no more than a bank overdraft
